Working Together to **END Euthanasia** The Pet Alliance

www.PetAlliance.org Has the mission to see the day that our Community has eliminated the need to Euthanize Healthy Companion Pets because of Overpopulation.

This Goal **is achievable** (and has been accomplished in other communities) by:

1) Educate the Community to the Reality: **More than 30,000 Adoptable Dogs and Cats are Euthanized every year in the Tri-state area alone**—simply because there are not enough homes for them. **We know how to stop this tragedy!** Other communities have stopped the Euthanizing....How?

2) **The Solution: Spay / Neuter all Pets!** Educate the Community to Available Resources

3) Help find Loving and Permanent Homes for the Existing Homeless Pets that are alive today.

Please visit www.PetAlliance.org and complete and return our Questionnaire to help us understand the needs of our Community.

Completed Form Enters into Monthly Drawing to Win \$25 Kroger Gift Certificate

We will implement or access the Programs that can assist our Neighbors in helping to Prevent More Unwanted Pets and Enjoying the Unconditional Love and Happiness that a Pet can bring into a Guardian's Life.
